Vacation Homes for Sale

Frequently Asked Questions

What is the monthly space rent for mobile homes?

The monthly space rent ranges anywhere from \$450-\$740 based on location, home size, view, etc.

What items and utilities are included in the monthly space rent?

Items included in your monthly space rent are water, sewer, trash and cable.

Can you rent out your mobile home?

Rental to third parties of any kind is prohibited per the terms of your lease with Havasu Springs Resort.

Can you live in the mobile home full-time?

No, the mobile homes are meant to be used as vacation properties and full-time occupancy is prohibited per Bureau of Land Management regulations, which state maximum occupancy is 5 months or 150 days.

Are you charged property taxes on the mobile home?

Property taxes are charged only on the mobile home and any improvements made to it. You are not charged property taxes on the land the home sits on. Property taxes are due yearly and made payable to "La Paz County Assessor."

Do you get a free boat slip and/or golf with mobile homeownership?
